Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. For the first time, the great depth and diversity of Taoist spirituality is introduced in a single, accessible manual. Taoism, known widely today through the teachings of the classic Tao Te Ching and the practices of t ai chi and feng-shui, is less known for its unique traditions of meditation, physical training, magical practice, and internal alchemy. Covering all of the most important texts, figures, and events, this essential guide illuminates Taoism s extraordinarily rich history and remarkable variety of practice. A comprehensive bibliography for further study completes this valuable reference work.
