One carbon-14 date obtained for the Agate Basin level indicates that the occupation was at about 9,350 400 years before the present, and charcoal from the Folsom level has given a date of 10,375 700 years before the present. This suggests that the basin was occupied at least at intervals over a period of about 1,000 years. After returning to Washington from Wyoming, Dr. Roberts went to Sao Paulo, Brazil, where he represented the Smithsonian Institution and the United States at a conference on the origin and antiquity of man in the New World. He made three speeches at the conference and was elected one of the two vice presidents for the session. In September he went to Mesa Verde National Park in southwestern Colorado where he served as...
